## **TOWN MEETING WARRANT**

To the inhabitants of the Town of Bath qualified to vote in Town affairs. You are notified to meet at the Town Hall in Bath on Tuesday, March 14 at ten o'clock in the forenoon to act upon the following subjects:

ARTICLE 1. To choose a Town Clerk, one Selectman for three years, two Library Trustees for three years, a Treasurer, an Auditor, one Trustee of Trust Funds for three years and all other necessary officers for the ensuing year.

ARTICLE 2. To hear the reports of officers and agents heretofore chosen and to pass any vote relating thereto.

ARTICLE 3. To see how much money the Town will vote to raise and appropriate for Town Officers' salaries and expenses, for repairs, maintenance and construction of highways and bridges, for the support of the poor, Town Library, for Old Age Assistance, for the Protection of the Public and all other necessary Town charges and expenses for the ensuing year.

ARTICLE 4. To see if the Town will vote to accept State Aid for the construction of Class V roads and to raise and appropriate or set aside the sum of \$883.58 and the State to contribute \$5,890.50 for the same.

ARTICLE 5. To see what action the Town will take on the following question: Shall the provision of the Laws relative to the playing games of Beano be adopted in this Town?

ARTICLE 6. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by Tax Collector's Deed.

ARTICLE 7. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$749.00 as the Town share of support to the White Mountain Region Association.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$782.50 as the Town share of support to White Mountain Community Service.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$1,250.00 to support the Cottage Hospital.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$531.00 as the Towns share of support for North Country Council.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$783.00 as the Towns share of support for North Country Health Agency.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$500.00 to support the Littleton Hospital.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$500.00 to support the Cottage Hospital Ambulance Service.

ARTICLE 15. To see if the Town will vote to raise and appropriate twelve thousand (\$12,000) dollars to hire a tax mapping company to construct a tax map as required by Legislature by 1980 and to authorize withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$1,600.00 to extend the present steam heating system to the Selectmen's Office and the 4-H room and to authorize withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of 1972.

ARTICLE 17. To see if the Town will vote to raise and appropriate money for the establishment of a capital reserve fund for the acquisition of new road maintenance equipment as authorized in Chapter 35 of the New Hampshire Revised Statutes Annotated.

ARTICLE 18. To see if the Town will vote to have the Town reassessed by the State Tax Commission or a private Assessing Firm and to raise and appropriate the sums necessary for said re-evaluation.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to enter a contract agreement with the Powers-Leete Landfill for the disposal of town garbage and refuse.

ARTICLE 20. To see if the Town will vote to raise and appropriate \$350.00 for the purpose of removing the large doors on the 4-H room and replacing them with a cement block wall with one window.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of \$500.00 for repairs and painting of the library.

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of \$45,000, for the purpose of preparing plans and specifications on sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. § 1251 et seq.) and will qualify the Town for Federal funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed \$15,000 under and in compliance with the provisions of the Municipal Finance Act (N.H.R.S.A. 33.1 et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes

as shall be in the best interests of the Town of Bath and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. § 1251 et seq.) and pass any vote relating thereto.

ARTICLE 23. To see if the Town will allow the Trustees of the Trust Funds to print the reports in summary form rather than in full detail in the annual Town Report as permitted under N.H.R.S.A. 33:3/chapter 45.

ARTICLE 24. To transact any other business that may legally come before this meeting.

BERNARD A. TEWKSBURY  
DENNIS E. CHASE  
GEORGE K. LINDBLOOM

## SELECTMEN'S COMMENTS

1977 saw several changes in our town worthy of comment. Stringent Federal and State anti-pollution laws were unable to be met without exorbitant cost to the town. The Selectmen, therefore, opted to close the town dump in September and contracted with the Leete-Powers landfill in Boltonville to take the town rubbish until March 31st, thereby giving Town Meeting the opportunity to decide the future course of action. The Selectmen wish to extend their thanks for the co-operation of all our citizens during this interim period. The Selectmen also wish to commend everyone for the complete absence of any rubbish deposited after the dump closing; a truly fine display of the public spirit of our town.

The Swiftwater covered bridge reconstruction was finished in November, giving the old bridge a brand new look while preserving its historical authenticity. We should have a serviceable six ton bridge for years to come. The Selectmen wish to thank those of our people who were inconvenienced by having to "take the long way round."

Grading and filling of the Hill Rd. project was completed with a minimum of confusion. The widening and shortening of grade angle has brought a favorable response from regular users. Two-way traffic will no longer have to ditch in this area.

All State and Federal requirements have been met re: the sewage disposal project. The Selectmen have recently been notified that an environmental impact study will not be necessary, thus saving the town an added expense.

The necessary but unpleasant task of re-valuation was undertaken by your Selectmen to bring the town's valuation up to 100% of ad velorum or true value. Town Meeting had repeatedly refused to appropriate funds for State assessing so that the town had not been re-appraised for ten years or more. The town's value was down to 38% and this low rating had been affecting monies apportioned by the State treasury. Your Selectmen are pleased to report the revaluation was received well by the overwhelming majority of our taxpayers as witnessed by the small number of complaints received.

As a result of the revaluation, attention was brought to the Selectmen that there is evidently a very large acreage in the Town that has gone untaxed. Several abatements were issued because landowners reasonably proved they owned less land than assessed for. This land is still there but in absence of proof of ownership it goes untaxed. The Selectmen, therefore, will include an article in the warrant asking for funds to complete a tax map. A town tax map has also been mandated by the Legislature by the year 1980. Your Selectmen encourage dropping in at the Thursday

night meetings or phoning in your questions. We are frankly looking for support in this very serious matter as it will be of great benefit to the professional administration of town tax affairs in the future. The town has Revenue Sharing funds to cover the cost of this project so that it will not affect the tax rate.

To close this report on a less serious note, the Selectmen wish to report the town has acquired a new highway sander through a favorable trade of our old obsolete, worn out sander just in time to meet this winter's snow-fall and icy road conditions. Our road agent is now able to sand and salt faster and more efficiently while using less material.

Thank you once again for the fine co-operation received during the past year, hoping we can serve you even better this coming year.

## LIBRARIAN'S REPORT

Number of bound volumes	13,676
Number of volumes added by purchase	114
Number of volumes added by gift	34
Number of magazines	18
Number of volumes discarded	25

### Circulation

Volumes of adult fiction loaned	705
Volumes of junior fiction loaned	1,191
Volumes of adult non-fiction loaned	678
Volumes of junior non-fiction loaned	419
Adult magazines loaned	450
Junior magazines loaned	79
Bookmobile volumes loaned	1,755

I would like to again remind you of our evening hours, 7-8 p.m. on Monday, and invite you all to use our facilities. A splendid job of story hour was conducted this summer headed by Pat Roy. Stories, games and light refreshments were enjoyed by our neighborhood children. We would like to extend a special thanks to Pat for her volunteered help.

This year we have been trying to build an easy reader section for our new readers. There are both fiction and non-fiction selections available.

We would like to give thanks to the many people who donated money in the memory of Ellen Chase and Mrs. Ora Fields. This money is to go into a special fund and the interest will be used only to purchase books. We would also like to thank Mr. and Mrs. E.W. Daniels for their gift of a three volume edition on Robert Frost.

SUSAN PICKNELL  
Librarian

## **REPORT OF FIRE DEPARTMENT—1977**

### **Fires Reported**

Jan. 3—Mountain Lakes (Mutual Aid)—Chimney fire  
Mar. 2—Edwin Jamback—Chimney fire  
Mar. 16 & 17—William Hjelms—Pumped out cellar  
Mar. 22—Newton Dyke—Chimney fire  
Apr. 3—Stephen Whalen—House fire  
Apr. 16—Newman Lumber (Mutual Aid)—Lumber piles fire  
Apr. 18—Mt. Gardner—Forest fire  
May 10—Herbert Chamberlain Jr.—Chimney fire  
Oct. 5—Near Chrostowski—Robbin's truck burned  
Nov. 26—Edward Coulstring—Board pile fire  
Dec. 12—Dale Phelps—Chimney fire  
Dec. 28—Check out a fire report—Snowmobile bonfire

During 1977 a great deal of progress was made toward a Central Communication System for Twin State Mutual Aid. Twin State voted to spend twelve thousand dollars to lease equipment to set up an antenna and sending system on Cannon Mountain providing tests conducted by GE proves that such a system would adequately reach all member departments of the Mutual Aid System. The system will be operated by the Personnel of the Grafton County Sheriff Communications Center.

Twin State also has its air compressor to fill breathing apparatus bottles set up in Lisbon, plus 10 extra tanks which can be transported to any town where a large fire necessitates extended use of breathing equipment.

Our training program progressed well in 1977 as our equipment and several firemen participated in a Mutual Aid drill in Lisbon. We also joined Landaff and Lisbon in a training session at Landaff. Many of our members attended a session sponsored by the Lisbon Dept. and conducted by a representative of the White Mountain Electric Co. on electrical fires. We again sent members to the Twin State school in Bradford and conducted training on our own under the guidance of our training officer, Bob Stewart.

New equipment purchased during the year included a light for our tank truck plus three lengths of 1½" hose and a nozzle. Boots were also purchased for some of our firemen with the Fire Department using its own funds to pay for half of the cost and individual firemen paying the rest. New pumps were purchased to replace worn ones on our Indian back tanks.

We have received a Dodge 4x4 from the N.H. Forestry Service to carry our forest fire equipment on. Herbie Chamberlain is presently in charge

of a maintenance program to keep our trucks in good shape.

We wish to ask everyone to use extreme care with wood fires as chimney fires which were once becoming a thing of the past are on the increase due to the high cost of heating energy and the greater use of wood as source of heat.

Members of the Department extend an invitation to everyone to be fire conscious as it saves lives, property and dollars. Have a good year.

**BATH VOLUNTEER FIRE DEPARTMENT  
TREASURER'S REPORT**

Balance on hand—January 1, 1977	\$ 76.60
December 31, 1977—Received from Town	462.61
	<hr/>
Balance on hand—January 1, 1978	\$539.21

## **REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN**

Forest fire control in New Hampshire is a joint state and town/city responsibility (RSA 224).

The Director, Division of Forests and Lands (State Forester) appoints a forest fire warden and several deputy forest fire wardens in each town/city upon the recommendation of local authorities.

The local forest fire warden is responsible for forest fire prevention and suppression activities in his town. He regulates the kindling of outside fires when the ground is not covered with snow by the issuance of written permits only when conditions are safe. He is responsible for suppression with the town/city and state sharing the cost. Suppression costs in excess of  $\frac{1}{4}$  of 1% of the assessed valuation of the town are assumed by the state.

The state provides training for the local fire organization and helps coordinate activities between towns/cities. The state also supports local forces with backup personnel, equipment, and supplies for suppression and prevention.

This combination of state and local cooperation, started in 1893, works well, for New Hampshire has enjoyed one of the smallest acreage losses due to forest fires in the United States for the past 25 years.

# **NORTH COUNTRY HOME HEALTH AGENCY**

## **ANNUAL REPORT 1977**

North Country Home Health Agency, with its main office at 60 High St., Littleton, and satellite offices in Cottage Hospital and Linwood Medical center, provides services aimed at prevention, intervention and control of disease. This Agency serves the residents of 15 towns in a 1200 sq. mile area in the North Country.

Services performed in 1977 were as follows:

**8457 Skilled Nursing Care** visits to patients in their homes. These include the chronically ill; short term care following hospitalization or acute care in place of hospitalization; visits to newborns and mothers; diet and nutrition teaching; follow-up visits from clinic settings; and assistance in institutional placement when necessary.

**8685 Homemaker/Home Health Aide** visits, representing 9,000 hours. The purpose of this service is to maintain people in their own homes through assistance with personal care, light housekeeping and meal preparation; performing ancillary nursing services.

**62 Physical Therapy** visits to homebound patients.

**407 Health Promotion** visits. These visits are for assessment and evaluation of a person's needs and/or problems.

**Public Health Activities, aimed at prevention, were as follows:**

17 immunization clinics for pre-school children. 695 children were immunized.

2 lead level screening clinics for all ages, at which 154 persons were seen.

6 dental screening clinics for pre-school children with an attendance of 294.

4 Crippled Children's clinics, co-sponsored by N.H. Division of Public Health, for area residents under 18. 106 children were seen.

5 well-child clinics which provided physical exams for pre-school children of low-income families. 64 children attended.

4 adult health screening clinics sponsored jointly with the statewide and local Lions clubs. 525 adults over 18 were seen.

This Agency is approved by Medicare and the New Hampshire Department of Public Health as a certified provider of home care services. The Board of Directors is composed of volunteer members representing the towns served. It is a non-profit agency and monies received are returned in direct services to residents of the 15 towns.

**Services to Bath Residents** in 1977 were as follows:

187 Skilled Nursing Care Visits; 46 Hours of Home Health Aide Services; 169 hours of Homemaking Service; 2 Health Promotion Visits and 4 visits to Newborn infants and mothers. Bath residents may attend any of the clinics listed above at no charge.

## **REPORT OF PLANNING BOARD**

The Bath Town Planning Board, meeting regularly on the second Friday of each month at 8:00 p.m. in the Selectmen's Office, continues to review subdivision application preparing the way for future growth and development. Of the applications received in the past year, three have been approved, three were waived and five are pending. It became necessary to penalize two individuals who subdivided without making application or receiving approval. It is hoped that anyone planning to divide property will, in the future, request assistance from the Planning Board to avoid any possible violation of Town or State statutes.

Charles Nelson is the newest appointee to the Planning Board, beginning his term in September 1977 following the resignation of Robert Stewart. Since his appointment, Mr. Nelson has attended a series of lectures on Municipal Law related to the planning process.

The Board hopes that the Soil Conservation Service will be able to start soil mapping for Bath in 1978. When completed, this information will be a most valuable asset in planning.

Meetings are open and interested citizens are encouraged to visit. Your recommendations and comments are solicited.

## **North Country Council, Inc. Franconia, N.H.**

In Bath, NCC provided information on master planning and assistance in securing two CETA job slots for use in the town's tax mapping program.

In 1977, NCC provided the following region-wide services:

**Planning Services:** NCC provides technical assistance to communities in a number of areas such as comprehensive planning, assistance with subdivision regulations, or reviewing development proposals. NCC is always available to meet with any local official, planning board or public body to assist with local planning matters and thirty-five towns have received some type of direct service from the Council.

**Economic Development Grantmanship:** NCC worked closely with the Economic Development Administration of the US Department of Commerce, the Farmers Home Administration, the Bureau of Outdoor Recreation, and HUD to bring a greater amount of financial resources into the Region; this will assist municipalities, local development corporations, and other organizations implement locally developed projects and programs. NCC attempts to be aware of the many federal grant programs that would be relevant to needs of communities in the North Country.

**Preparation of Development Plans:** By working over time to complete components of the Development Plan (in accordance with RSA 36:45), the Council will be in a position to make specific recommendations on how the communities in the Region can develop and prepare for future growth. During 1977, much progress has been made in the areas of Land Use, Housing, and Economic Development.

**Participation in National and State Policies:** NCC responds to opportunities to present a North Country perspective before federal and state agencies. Examples include its presentation to the Regional Town Meeting on transportation sponsored by DOT Secretary Adams; meetings with the Regional representative of the Department of Energy on the potential of wood energy, its role in initiating legislation which permitted the construction of bi-state sewerage treatment plants, and its assistance in developing state legislation permitting town governments to develop and own industrial parks. NCC has also worked with the NH Department of Public Works and Highways to encourage the Department to make improvements to US 302 from Woodsville to Littleton. As a body representative of local government, NCC provides a local response to state initiatives on "208" Water Quality, Solid Waste, and Safe Drinking Water Standards.

**Inquiries, Technical Assistance and Special Reports:** NCC staff is always available to respond to the inquiries and requests of member municipalities. In the last year, the Council has published technical assistance reports on "Model Subdivision Regulations", "Woodsville Downtown Improvement Summary Report", "Energy Perspectives in the North Country", and the "North Country Housing Element."

**Education and Training Programs:** NCC again co-sponsored the six Municipal Law Lectures in the Fall and the second statewide Annual Meeting of Regional Planning Commission members. A special workshop for applicants of Round II of the Local Public Works Act was held in conjunction with EDA officials from Concord and Philadelphia. "Planning News," the NCC Newsletter, and a legislative bulletin keep local officials and interested persons informed of planning and development activities.

In 1978, the Council will be available to work with the town and other appropriate groups to help implement some of the recommendations contained in the Plans. Ideas and suggestions on how the Council can be of greater assistance are appreciated. The Council was created by five towns in 1973 and continues to exist as a service agency to the towns. The Council greatly appreciates the support it receives from the towns, knowing that the support will enable it to provide continued service to the area in the future.

Respectfully submitted,  
RAYMOND BURTON  
EDWIN CHAMBERLIN  
North Country Council Representatives

## **RAYMOND S. BURTON, EXECUTIVE COUNCILOR DISTRICT ONE**

As Executive Councilor for District One which covers 62% of the State of New Hampshire (102 towns and 3 cities), I am pleased to submit this short report to the citizens of your town.

The Executive Council of New Hampshire is elected from five districts portioned by population. The work of the Council has been described as similar to that of a board of directors for State business. The New Hampshire Constitution provides that the Council shall from time to time advise the Governor in the affairs of State. State law as passed by our General Court mandates much of State government to be acted upon "with the advice and consent of the Council."

Our meetings in the State House Council Chambers are open to the public, and I would welcome having any citizens from our District attend any of the meetings.

The responsibilities of the Governor and Council are so diversified as to defy any attempt at exact classification. Their activities extend to the appointment of certain public officials, to a general supervision over State departments, to State expenditures, to pardon matters and to a variety of other duties . . . State officials and employees, State fiscal matters, pardons, commutations and reprieves, eminent domain and related responsibilities, State contracts and leases, public waters, State industrial and recreational interests and miscellaneous responsibilities.

From time to time, as Councilor if I can be of help to cities, towns, counties, agencies and individuals, I stand ready to do so especially if the problem or concern has to do with State government. However, as many of you know, much of our government, at the local level, is funded by not only local dollars but State and federal monies are many times involved which means that several levels of government are involved. In such cases we must turn to our local town administrative assistants, regional planning commissions, county officials and others for help and guidance.

I can generally be reached by writing or calling my home office (R.F.D. #1, Woodsville, N.H., 03785, telephone, 603-747-3662) or in care of the Executive Council Chambers (State House, Concord, N.H., 03301, telephone 603-271-3632).

## REPORT OF THE WHITE MTS. REGION ASSOCIATION

This is a summary of your region association's activities/programs for the fiscal year July 1, 1976 — June 30, 1977.

Assisted the N.H. Office of Comprehensive Planning in implementing an experimental air freight/passenger service from the Whitefield Regional and the Berlin Municipal Airports.

Sponsored an inter-regional conference on Black Fly Biology and Control with the University of New Hampshire and the State Department of Agriculture.

Published a new *Cross-Country Ski Touring* folder which your Association distributed throughout eastern United States.

Printed and distributed *Fall Foliage Shunpike* folders, *White Mountains Maps and Guides*, Regional and State Accommodation directories, and *Canoeing and Kayaking* information.

Committed \$5,000 (included a corporate advertising program with the Center) to the White Mountains Center for the Arts as well as substantial time of the Association's executive director and executive secretary.

Prepared all text material for issues of *Outlook* magazine.

Provided regional information and promotional material to out-of-state promotion and travel agencies.

Committed \$1,200 to many communities in support of local projects, and continued financial support of 4-H groups of Grafton, Coos and Carroll Counties. Also financed publication of the Christmas Tree Vendor which supports the Region's \$1.2 million Christmas tree industry.

Implemented a series of sub-regional meetings to improve communication between the communities and your Association.

Answered some 3,000 inquiries and sent out 51 Bulletins of Lodging and Real Estate inquiries.

Served on several committees and organizations throughout the State and region.

Referred vacation/travel business to many inns, hotels and motels around the region.

Answered 184 bulk inquiries.

## **SCHOOL WARRANT**

### **The State of New Hampshire**

To the Inhabitants of the Town of Bath qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall at Bath, New Hampshire on the 15th day of March, 1978, polls to be open for the election of District Officers at 3:00 o'clock in the afternoon, with action on the remaining articles in this warrant to be taken commencing at 8:00 o'clock in the afternoon.

ARTICLE 1. To choose by non-partisan ballot, a Moderator for the ensuing year.

ARTICLE 2. To choose, by non-partisan ballot, a School District Clerk for the ensuing year.

ARTICLE 3. To choose, by non-partisan ballot, a Treasurer for the ensuing year.

ARTICLE 4. To choose, by non-partisan ballot, an Auditor for the ensuing year.

ARTICLE 5. To choose, by non-partisan ballot, one School Board Member for a term of three years, ending in 1981 and one School Board Member for a term of two years, ending in 1980.

ARTICLE 6. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.

ARTICLE 7. To hear any reports of the School Board, Agents, Auditor, Committees, or Officers chosen, and pass any vote relating thereto.

ARTICLE 8. To see if the Bath School District will vote to raise and appropriate a certain sum of money to tuition, on a voluntary basis, to a public kindergarten, any eligible child with the full knowledge and understanding that the parents and/or guardian is responsible to provide transportation of said child. (By Petition).

ARTICLE 9. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officers, and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

ARTICLE 10. To see if the district wishes to exclude from its Social Security plan services performed by election officials or election workers for each calendar quarter in which the remuneration paid for such services is less than \$50.00

ARTICLE 11. To transact any other business that may legally come before said meeting.

Given under our hands at said Bath this 13th day of February, 1978.

RAYMOND S. BURTON  
ROLAND CURRIER  
PATRICIA ROY  
School Board of Bath

A True Copy of Warrant — Attest:

RAYMOND S. BURTON  
ROLAND CURRIER  
PATRICIA ROY  
School Board of Bath

(This is a temporary Warrant. Articles may be added until February 14th, 1978.)

Grade 2     Daniel Wood

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

I herewith submit my thirteenth annual report to the voters of the Bath School District.

The New Hampshire State Board of Education and Commissioner Dr. Brunelle have recently implemented the basic groundwork for the formal entry of New Hampshire Public Schools into the competency testing and sometimes called the competency based education, at grades 4, 8 and 12.

It appears that there is widespread public support for this new reform movement which was recently preceded by the "back to basics" movement. It is the feeling of this administrator that we really have never left the basics; and, that our teachers are looking forward to the challenge.

Plainly, minimal competency is the latest transformation of the accountability spirit in public education. Some believe it will hold the school's feet to the fire; others are convinced it will force the schools into more effective teaching. It has great appeal to those who manage schools. Why? Mainly because competency testing means STANDARDS, and standards mean that public and administrative judgments about children, curriculum and resources can be based on data. Schools and children can be judged by test scores — by their output as measured by a new generation of tests.

If the movement succeeds, it almost certainly will result in school boards, school administrators, state officials, and legislatures paying closer attention than ever to testing and to test scores. It will mean that either every youngster or every child who is graduated (a crucial and sticky distinction) will reach some agreed upon level of measurable, presumably "basic" skills. It means that resources will be targeted toward measurable goals, and that school boards and educators will express their goals in measurable terms.

Hidden in this new reform movement is a legal implication or issue that is just now surfacing. It is in reference to the practices and malpractices of public schools. This area of litigation is relatively new, but seems to be growing yearly.

Not all is rosy when one considers the many facets of competency testing. We must consider some of the following problems that already are plaguing educational systems using the tests:

1. What competencies will be required? Will we test only the three R's or in every school subject?
2. How will we measure skills? By observing school performance or by written tests only?
3. When will we measure? During the year, or at the end of the school experience.
4. Will there be one minimum for all students? Will ability and special talents be the principal consideration or will there be others?
5. How high will the minimum be? How many students can a school fail and still be responsive to the needs of the educational community?

How many students can a school district realistically remediate? Will the minimum be so high that adults cannot pass the test, or so low that adults will dismiss the test as absurd?

6. Will we judge students or schools?
7. What can be done by incompetent students and/or schools?
8. Will the testing be used as a tool for teacher evaluation and effectiveness?

It should be stressed that testing for the wrong reasons will only serve to destroy the premise, as this writer sees it, that we are attempting to measure the skills our students have mastered and consequently improve educational achievement.

Voters should refer to last year's report for a discussion on P.L. 94-142 and its implications for all school districts. This year's budget only reflects the tip of the iceberg since your school board has budgeted funds to cover the state average tuition for out-of-district placement. Should the courts and/or the legislature fail to act on requests before them, we may be faced with enormous budgetary considerations in the near future.

We have addressed ourselves to P.L. 94-142 but a capsule account of New Hampshire statute might be helpful in understanding the extent of responsibility being foisted on local districts.

"If your child is between 3 and 21 years, regardless of handicap, his/her school district must:

1. Provide an appropriate school program operated by the local school districts; or pay the state's average tuition to another approved private or public program.
2. The school district must provide suitable transportation from the child's home to the school and pay up to state average tuition for transportation costs. Or the school district may pay the costs of boarding the child at or near the school.

If the tuition at the public or private school to which the child is assigned exceeds the state's average tuition, then the State Board of Education must pay the excess cost, if sufficient funds are available.

If the State Board of Education refuses to pay the excess tuition funds a parent's options are:

1. Ask your local board to pay the excess costs;
2. Request a less expensive approved program.
3. Pay the excess costs yourself. After September 1, 1978, programs must be at no cost to parents. — P.L. 94-142."

Several points of contention come about as one reads P.L. 94-142. The law does state that excess costs or any costs will not be borne by parents but nowhere in the law does it state that school districts must pay. Also, the State of New Hampshire in applying for funding from Washington, states in the application that the state will pay for excess costs. Since the legisla-

ture has not appropriated enough funds for this program, the plot thickens.

With inflation and mandated programs being foisted upon all areas of municipal government it is very difficult to keep costs at a reasonable level. Your recommended budget from the school board indicates an increase of \$5,613.27 or a percentage increment of 3.56%.

We would like to express our appreciation and gratitude to Mrs. Alice Scott, who retired in June 1977, for her many years of dedicated service to the children of the school district. Her true professionalism and devotion to the educational professions should serve as an example to everyone associated with education today.

Also we welcome Mrs. Mary Burnham as the replacement for Mrs. Alice Scott in grades 3 and 4.

May I take this opportunity to thank the school board, faculty, and voters of Bath for their support during the past year.

Respectfully submitted,  
NORMAN H. MULLEN  
Superintendent of Schools

## **REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS**

I herewith submit my eighth annual report to the voters of the Bath Village School District.

On September 1st and 2nd our teachers gathered at Woodsville High for the annual Fall Workshop. The workshop was devoted entirely to School Law and was most ably conducted by Dr. Chris Clark and Mr. Malcolm Bownes from Plymouth State College. Each day of the workshop was divided into two sessions. The first sessions were devoted to lecture and instruction in the various legal topics relating to education. During the afternoon sessions the teachers divided into groups and considered actual case studies involving students, parents and teachers. Some of the topics presented were as follows:

1. Student's rights due-process, property rights, political and social rights.
2. Teacher's rights due-process property rights and political and social rights.
3. Academic freedom and curriculum development.
4. Legal consideration growing out of Parent-Teacher-Student relationship.
5. Student supervision, student instruction, teacher liability, student liability.

I would like to note that the opening session was highlighted by a talk by Mr. Raymond Burton, Bath School Board member and member of the Governor's Council. Mr. Burton spoke about the educational picture at the State level and also drew upon his experience as a principal and classroom teacher.

The teachers' reaction to this activity was overwhelmingly favorable and I would like to take this opportunity to commend Dr. Clark and Mr. Bownes for an excellent presentation.

During the month of April 1978 Supervisory Union 23 will be visited by an evaluation team from the State. The purpose of this visit will be to assess our readiness to implement the new laws relative to education of the handicapped which will become effective next fall. We are reasonably confident that we will be prepared because we already have in operation the necessary components to implement the new laws (Placement Team, educational plan, Prescriptive Teacher, Social Worker, Speech Therapist, etc.).

A great deal has already been written about our responsibilities relative to the education of the handicapped but I would like to point up an aspect of this law that is becoming of greater concern to educators. Most educators can accept the idea of an appropriate education for handicapped students. Modifications in instruction, instructional materials and in classroom facilities to accommodate special students is not really new. In fact, these modifications have been part of good classroom management

for many years. If promised federal and state funding materializes these responsibilities should be fulfilled without undue expense and adjustment of educational resources.

The aspect that gives concern to many however is explicit parts of the law that charges the school with the responsibility of providing not only an appropriate program for handicapped students but also requires us, in some cases to bear the expense of correcting or ameliorating the handicapping condition. In the view of many educators this is an exorbitant demand and should be relegated to individual citizens or other public agencies. This issue is now being contested in the courts and will merit our close attention.

Recently we have engaged the services of a teacher-aide at the Bath Village School. The job of this aide is to work with handicapped or learning disabled children and to assist the classroom teachers with their reading groups. This position is federally funded and will continue until November 1978. Additionally we have had the services of a Speech Therapist for a half-day per week since September. This position is also under Federal Funding.

Recently we have received word from the State Department of Education that competency tests will be mandatory in grades four, eight and twelve. It will be mandatory therefore for our staff to develop curriculum outlines and tests in order to comply with this directive.

Many thanks to our school lunch operator Mrs. Irma Clough for a job well done. Particularly during a recent period of reduced Federal commodities and reimbursements.

My thanks, as always, to the Bath School Board, Mr. Savoy and his staff and to the voters of the Bath School District for their support.

Respectfully submitted,  
HAROLD J. HASKINS  
Assistant Superintendent of Schools

# SUPERVISORY UNION #23

## REPORT OF SUPERINTENDENT'S AND ASSISTANT SUPERINTENDENT'S SALARY

**Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual reports show the total amount paid to the superintendent and assistant superintendent.**

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of Supervisory Union #23, during the 1977-1978 school year, will receive a salary of \$24,300.00 made up as follows: \$2,500.00 to be paid by the State Department of Education and \$21,800.00 prorated among the several school districts. The Assistant Superintendent will receive a salary of \$20,000.00 which is made up as follows: \$2,500.00 to be paid by the State Department of Education, and \$17,500.00 prorated among the several school districts. Allowance for travel within the union for the Superintendent is \$3,000.00 and for the Assistant Superintendent, \$2,000.00 also prorated as stated above.

The table below shows the proration of salaries and travel to each school district:

	<b>SUPERINTENDENT'S SALARY</b>	<b>TRAVEL</b>
Bath	\$ 1,066.02	\$ 146.70
Benton	172.22	23.70
Haverhill Cooperative	9,982.22	1,373.70
Lincoln-Woodstock Cooperative	7,019.60	966.00
Monroe	1,393.02	191.70
Piermont	1,310.18	180.30
Warren	856.74	117.90
	<hr/> \$21,800.00	<hr/> \$3,000.00
	<b>ASSISTANT SUPERINTENDENT'S SALARY</b>	<b>TRAVEL</b>
Bath	\$ 855.75	\$ 97.80
Benton	138.25	15.80

Monroe	1,118.25	127.80
Piermont	1,051.75	120.20
Warren	687.75	78.60
	<hr/> \$17,500.00	<hr/> \$2,000.00

**NORMAN H. MULLEN**  
Superintendent of Schools

# REPORT OF SCHOOL NURSE

**BATH 1976-1977**

Number of Students Examined	56
Number of Full Days at School	37
Number of Home Visits	45

Screening Tests		Defects		Corrections
Vision Tests	56	9		8
Hearing Tests	56	0		0

Communicable diseases reported: Whooping Cough	1
Swine Flu immunizations—first graders	7

All routine vision and hearing screening tests were completed. Notices were sent home to parents when defects were found.

In the spring registration was held at the school for students entering first grade in September.

Several meetings and two workshops were attended during the school year.

I wish to thank the school board members, Mr. Savoy, teachers, parents and students for their cooperation and interest in our school health program.

Respectfully submitted,  
EDITH F. CLARK, R.N.
